ABOUT ME

PASSIONATE ABOUT TECHNOLOGY AND
CONSTANT LEARNING. MY CAREER
FOCUS IS DEDICATED TO THE
TECHNOLOGY COMMUNITY.

EXPERIENCE

WEB DEVELOPMENT INTERN

VICTORISE, LLC | OCTOBER 2019 - PRESENT

- Working with a senior developer to improve technical skills and provide services for the company
- Working, partially remote, on a very large legacy codebase with live mobile and web applications

FULL STACK WEB DEVELOPER

LEARN ACADEMY | JULY 2019 - OCTOBER 2019

- Received 480+ hours of hands-on scenarios relating to full stack development
- Created full-stack applications in solo, pair-programming and mob-programming formats

FIELD TECHNICIAN

POWER OVERHAUL | FEBRUARY 2019 - JULY 2019

- Performed software and firmware updates on residential and commercial solar systems
- Maintained commercial and residential systems based on the manufacturer's specifications

PURCHASING AGENT

KRC ROCK, INC | OCTOBER 2015 - FEBRUARY 2019

- Implemented a plan with our dispatcher to utilize our own transport vehicles more efficiently and effectively to greatly reduce the expenses of hired transportation
- Continuously worked with sales representatives and vendors to increase our available resources and decrease overall material and transportation costs
